National Modular Housing Council Membership Application

2012 DUES SCHEDULE

Specific financial, production, and ownership information is kept confidential and not reported separately to a third party.

MANUFACTURER MEMBER

- **2012 Manufacturers Division dues are \$22 per modular home produced, payable per month, with a \$1,000 per year minimum. Once your company's application is received, monthly production reports will be requested.**

Our professional staff works closely with member manufacturers on modular issues and conducts research on such important issues as statistics on market growth, sales & use tax, International Residential Code (IRC), transportation, structural design, installation systems, and other technical activities.

BUILDER / DEVELOPER CATEGORY

- **Builder / Developer \$575**

This category is only for those companies that develop or build (or plan to develop or build) with modular homes. NMHC provides a number of benefits to developers, including educational and networking opportunities; technical assistance on planning and zoning; publications on housing development; and access to NMHC staff experts. Additionally, membership in NMHC affords builders and land developers the opportunity to network directly with industry leaders, including home producers, lenders and suppliers.

Internal Revenue Services rules require us to remind you that contributions or gifts to the Manufactured Housing Institute are not tax deductible as charitable contributions for federal income tax purposes. However, dues payments may be tax deductible by members as ordinary and necessary business expenses subject to restrictions imposed as a result of associations lobbying activities. MHI estimates that the non-deductible portion of your 2012 dues – the portion which is allocable to lobbying - will be 30 percent.
