2018 MHI-PAC PRIOR APPROVAL FORM

Manufactured Housing Institute Political Action Committee

MHI Certified Representatives:

Federal Election Commission (FEC) rules require a national trade association or its political action committee (PAC) to obtain written authorization from its member organizations before it may solicit the executive and administrative personnel of the member companies for personal contributions to its PAC.

Signing this approval form does not obligate you or your employees to contribute to MHI-PAC. It merely authorizes MHI-PAC to communicate with and solicit contributions from you, as well as the designated executive and administrative staff in your company, in order to advance the industry's advocacy.

As required by Federal law, your signature below indicates that to the best of your knowledge, your company has not authorized any other national trade association PAC to solicit its employees during the calendar years designated and will not approve such solicitations for any year in which prior approval is granted to MHI-PAC. Your signature also indicates you understand that participation in the PAC is voluntary, and individuals being solicited have the right to refuse to contribute without fear of reprisal.

Please help us reduce administrative costs by signing below for all five years. Thank you!
