Internal Revenue Service rules require us to remind you that contributions or gifts to the Manufactured Housing Institute are not tax deductible as charitable contributions for federal income tax purposes. However, dues payments may be tax deductible by members as ordinary and necessary business expenses subject to restrictions imposed as a result of association lobbying activities. MHI estimates that the non-deductible portion of your 2021 dues – the portion which is allocable to lobbying - will be 30 percent.

Final approval of your membership application will be determined by MHI's Board of Directors/Executive Committee.
