MHI-PAC Prior Approval (Optional)

MHI-PAC is the industry's tool to support federal candidates who support manufactured housing. As the qualified representative for your company's MHI membership, you authorize MHI-PAC to solicit voluntary, personal contributions from you and, at your discretion, the executive and administrative employees at your company. Corporate approval is necessary before MHI-PAC may conduct a solicitation, and the authorization is effective for the years indicated below. You also pledge that your company has not authorized another trade association with a federal PAC to solicit contributions during the calendar years noted. A signature is required for each year you grant MHI-PAC prior approval.

Internal Revenue Service rules require us to remind you that contributions or gifts to the Manufactured Housing Institute are not tax deductible as charitable contributions for federal income tax purposes. However, dues payments may be tax deductible by members as ordinary and necessary business expenses subject to restrictions imposed as a result of association lobbying activities. MHI estimates that the non-deductible portion of your 2023 dues – the portion which is allocable to lobbying – will be 30 percent.

Final approval for your membership application will be determined by MHI's Board of Directors.
